2010 CROSS TRAINING CLASSES

“Building Strong Disciples”

Chuck/Joan Jacobson North Chapel: for new believers and others

It is vitally important for new believers to explore the foundations of our faith and to study what this Christian life is about. This course is designed to study the book *The Purple Book: Biblical Foundations for Building Strong Disciples*. We will explore God's expectations of us as well as how to build on our faith and become mature Christians. If you have newly accepted Jesus Christ or are looking for a stronger understanding of the building blocks of a Christian life this class is for you.

“Crown Biblical Financial Study”

Dave and Jean Wilson Room #113: for everyone

Many people are experiencing financial challenges, but did you know that the Bible contains 2,350 verses dealing with money? Many Christians have been taught what the Bible says about how to handle 10 percent of their income. Although this is crucial, they need to understand God's perspective of managing the rest of their money as well. Workbooks available for \$55 in the bookstore, classes begin at 6:45 pm.

“It Is Time to Live Your Live, By Jesus Christ”

Mike Galer Room #111: men only

The class is based on the book, *The Life You've Always Wanted* by John Ortberg. Topics of discussion include, what is God like, how should we pray?, improving spiritual life, take time to do the important things, developing relationships, growing your marriage, and being a good neighbor. Class will include a time for prayer, sharing, memorization, questions about scripture, lessons from book, and trivia.
